

Connect a Fitness Device

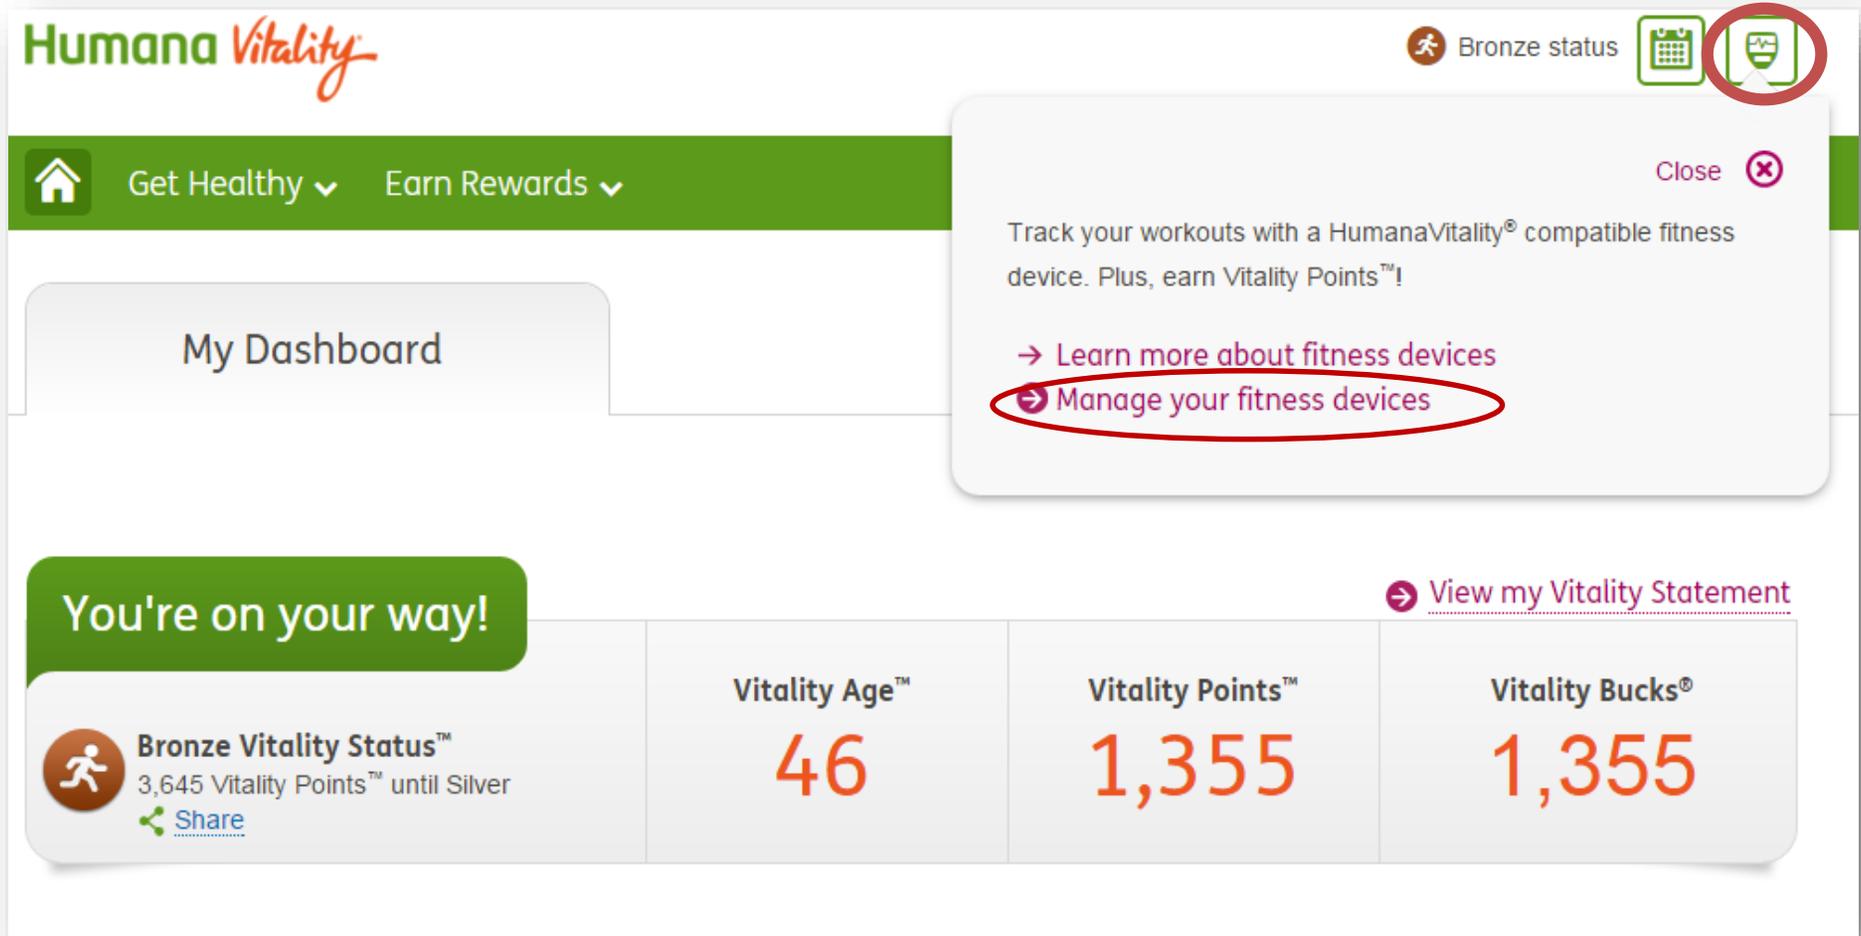

Before you can connect a fitness device (Fitbit, Garmin, etc.) you must first have an active vendor account.

1) Log into your HumanaVitality account

The screenshot shows the Humana Vitality website's login page. At the top, there is a navigation bar with links for "For Individuals & Families", "For Employers", "For Agents & Brokers", and "For Providers". Below this is the Humana logo and a search bar labeled "Ask Humana". The main content area features a green background with a login form. The form includes fields for "Username" and "Password", a "Sign in" button, and a "Remember my username" checkbox. There are also links for "Forgot your username?" and "Forgot your password?". To the right of the form, there is a handwritten "or" and a link to "Register now as a new user". Below the form is a navigation bar with links for "Individuals & Families", "Medicare", and "Insurance Through Your Employer", along with a "Sign in or Register" button. The main content area features a large image of a man and a woman outdoors, with the text "Get rewarded with HumanaVitality" and "Earn rewards for the healthier things you do, every day". Below this is a "Sign into HumanaVitality" button and a link to "Explore our community". At the bottom, there is a footer with the Humana logo and a link to "Contact us" for questions about individual and family insurance.

2) Click on the device widget  on your Dashboard (home page) at the top right

The screenshot shows the Humana Vitality dashboard. At the top right, there is a notification box with a close button and a fitness device icon circled in red. The notification text reads: "Track your workouts with a HumanaVitality® compatible fitness device. Plus, earn Vitality Points™!". Below this text are two links: "→ Learn more about fitness devices" and "→ Manage your fitness devices", with the second link circled in red. The dashboard also features a "My Dashboard" button, a "You're on your way!" banner, and a summary section for "Bronze Vitality Status™" with 3,645 Vitality Points™ until Silver. The summary section includes a "Share" button and a link to "View my Vitality Statement".

You're on your way!

3) Click on “Manage your fitness devices”

- 4) You now see a Search box, you may enter the maker of the compatible fitness device you are wishing to connect (ie. Fitbit, Garmin, etc.), then Click “Search.” We will use FitBit as an example.

The screenshot displays the Humana Vitality website interface. At the top, the Humana Vitality logo is on the left, and a 'Bronze status' indicator with a calendar and shield icon is on the right. Below the logo is a green navigation bar with 'Get Healthy' and 'Earn Rewards' dropdown menus, and notification and email icons. A breadcrumb trail reads: 'Home > Get Healthy > Health and Well-Being > Fitness and Exercise > Fitness Devices > Manage your fitness devices'. On the left side, there are two menu items: 'Learn more about fitness devices' and 'Manage your fitness devices'. The main content area is titled 'Manage your fitness devices' with the Humana Vitality logo. Below the title, there is introductory text: 'Connect your Humana pedometer and other HumanaVitality® compatible fitness devices. Then start earning Vitality Points™ that you can redeem for exciting merchandise! Once you've connected your devices, you can easily manage fitness devices and update software in one convenient place.' Below this is the section 'Your fitness devices' with the text 'You do not have any devices connected.' and a link: 'See tips for choosing a HumanaVitality compatible device'. The 'Add a fitness device' section features a search box with 'Fitbit' entered, a 'Search' button circled in black, and a link 'Connect Humana Pedometer'. An orange arrow points to the search box. At the bottom, there is a carousel of device icons with 'Connect' links for each.

5) After you click “Search,” you will see your vendor’s icon appear in which you may select “Connect”

The screenshot shows the Humana Vitality website interface. At the top left is the Humana Vitality logo. On the top right, there is a 'Bronze status' indicator with a person icon, a calendar icon, and a shield icon. Below the logo is a green navigation bar with a home icon, 'Get Healthy' with a dropdown arrow, and 'Earn Rewards' with a dropdown arrow. On the right side of this bar are a bell icon and an envelope icon. Below the navigation bar is a breadcrumb trail: Home > Get Healthy > Health and Well-Being > Fitness and Exercise > Fitness Devices > Manage your fitness devices > View Devices. The main heading is 'View devices' in large green font. To the right of the heading is the Humana Vitality logo. Below the heading is a paragraph: 'Find HumanaVitality® compatible fitness devices that can help you track your steps, monitor your heart rate and get your whole family motivated to live healthy. Plus, earn Vitality Points™ each time you complete a qualifying activity with your device.' Below this is a search section with the text 'Search for a device'. There is a search input field containing 'Fitbit', a green '→ Search' button, and a 'Clear' link. To the right of the search section is a link: '→ Connect Humana Pedometer'. Below the search section is the text 'Showing 1 of 1 results'. At the bottom left is the Fitbit logo. To the right of the Fitbit logo is a small 'Fitbit Connect' button, which is circled in red.

- 7) After you connect your device, please allow 72 hours for your first download to appear through HumanaVitality. After the initial 72 hours, as long as you are continuously downloading your information from your fitness device to your vendor (Fitbit, Garmin, Jawbone, etc.) account, your HumanaVitality account will update at a later time with no additional work on your end.
- You can also connect your certain fitness devices via the HumanaVitality mobile app. Please keep in mind that some fitness devices and mobile apps can sync to both your online HumanaVitality

account and the mobile app, while others only sync to one of the two. Please refer to the compatibility grid for a better understanding of which fitness devices and mobile apps for more information.
